“I would not give a fig for the simplicity this side of complexity, but I would give my life for the simplicity on the other side of complexity”

Oliver Wendell Holmes

1. Young parent (about a child facing a puzzle)

...if I hold back, make sure he's facing the right direction, he seems to come up with the answer....

2. Social worker (to parent facing a difficult child)

You're not really sure what to do with him, yet you want to spend good times with him....

3. Supervisor (to a social worker with a tough load)

I've got a few ideas here, but I wonder how you see yourself getting better at coping with this kind of caseload?

4. A manager (with a group of supervisors)

Its not easy to see a way through here. What sort of training support makes sense to you?

5. A director (writing to all staff)

I wonder how you'd like to improve the service for next year? Let's spend a solid hour on this next week. Bring any ideas you have, and I'll bring the budget...
